Name	Descriptions	Qty (Pcs)	Unit Price (USD)	Amount (USD)	Marks
Xinertel P2-100G-4QSFP28 Gtest module	4-port QSFP28 10G/25G/40G/100G test module + <i>TeleATT Broadband network Tester automatic traffic test software V1.0.0.1</i>	3			Network tester Xinertel
Xinertel P2-2.5G-16C Test module	16-port RJ45 1G/2.5G basic test module + <i>TeleATT Broadband network Tester automatic traffic test software V1.0.0.1</i>	7			Network tester Xinertel
Xinertel P8008F Test module / P2-10G-8F	8-port SFP+10G basic test module + <i>TeleATT Broadband network Tester automatic traffic test software V1.0.0.1</i>	3			Network tester Xinertel
Xinertel BigTao6100 chassis	3U rack-mounted chassis, 6 slots, suitable for P series test modules	3			Network tester Xinertel
PM9016G-8PD-V1	16-port RJ45/8PD 1G/2.5G data exchange load AF/AT/BT module, support	18			Network tester Xinertel
Test software docking with MES	Interface with MES system API interface	1			Network tester Xinertel
Aging cabinet frame	1. Size: Length 2150mm*width 1050mm*height 1900mm °C °C 2. Unilateral installation 3. Constant temperature (45 ±5) Display + with auxiliary heating function 4. Folding stainless steel single-layer tempered glass door	4			Aging cabinet Fuyuan Branch
Electronic load	1. Electronic load, a single group of 8 channels, a single channel power of 65W, a total of 48 groups 2.CC/CV/LED modes , Isolation module 1-120V0.2-5A panel PCB	200			Aging cabinet Fuyuan Branch
PD adapter board	8-channel AT/BT-PD adapter board, input voltage: 48V-57V	208			Aging cabinet Unip
Interface convrter RS232-RS485		4			Aging cabinet Fuyuan Branch
Test software docking with MES		1			Aging cabinet MES system docking
HI-POT test control software		1			HI-POT Withstand voltage test system
Automatic test machine (Product withstand voltage test transmission device)		1			HI-POT Automatic test machine

Industrial computer host with 19-inch monitor RS232 COM interface		1			HI-POT Withstand voltage test system
Withstand voltage tester (Model: U9022 Mode: AC-DC-IR)		2			HI-POT Withstand voltage test system Excellent high
Test software docking with MES	Interface with MES system API interface	1			HI-POT MES system
Total Amount:					
Total USD Amout: SIX HUNDRED EIGHTY-FIVE THOUSAND ONE HUNDRED AND TWENTY DOLLOR ONLY					
Price terms:					
1. Payment : 100% T/T Payment					
2. Trade Terms: EX-W DONGGUAN					
3. Lead Time: 60 Days
